WATCH D.O.G.S.

Morgan Elementary

Program Overview

Our mission is to support principals and teachers by providing willing volunteers while contributing to improved outcomes for students.

The Dads of Great Students WATCH D.O.G.S. program is one of the nation's largest and most respected school-based, family, and community engagement, organizations in the country. WATCH D.O.G.S. is a family and community engagement educational initiative designed and developed by educators, experts and parent volunteers over more than two decades.

Program Overview

Our mission is to support principals and teachers by providing willing volunteers while contributing to improved outcomes for students.

Our programs for Elementary and Secondary School campuses help provide positive male role models for the students, demonstrating by their presence that education is important. Meanwhile, we provide extra sets of eyes and ears to enhance school security, reduce bullying and provide a greater sense of campus safety allowing students and teachers to focus on learning and instruction.

Purpose

WATCH D.O.G.S.® (Dads Of Great Students) is a family and community engagement educational initiative. There are 2 primary goals of the WATCH D.O.G.S. program:

1. To provide positive male role models for the students, demonstrating by their presence that education is important.
2. To provide extra sets of eyes and ears to enhance school security and reduce bullying.

We believe that all of us want the same things for our kids and these values unite us. This program serves to bring communities closer together based on these values-based goals. Ultimately, our purpose is to change the country for the better by doing our small part to provide support to our educators and encouragement to our children.
