

6 HOUSES 1 FAMILY

MORGAN ELEMENTARY IS IMPLEMENTING A HOUSE SYSTEM. WE ARE EXCITED TO SHARE WHAT THAT IS AND WHAT IT WILL LOOK LIKE HERE AT MORGAN!

A HOUSE SYSTEM IS WHEN A SCHOOL IS DIVIDED UP INTO GROUPS CALLED HOUSES. EACH STUDENT (AND STAFF MEMBER) WILL RANDOMLY BE ASSIGNED TO ONE OF MORGAN'S 6 HOUSES. THIS IS TO CREATE A SMALLER COMMUNITY WITHIN THE LARGER COMMUNITY, TO HELP CREATE A SENSE OF BELONGING.

ONCE STUDENTS ARE SORTED INTO THEIR HOUSES, THAT WILL BE THEIR HOUSE THE WHOLE TIME THEY ARE AT MORGAN. THIS WILL BE A CELEBRATORY EVENT THAT WILL HELP MAKE THIS BIG SCHOOL FEEL SMALL!

STUDENTS WILL WORK TOGETHER TO EARN POINTS FOR THEIR HOUSE BY BEING POSITIVE ROLE MODELS, WORKING HARD, AND BEING RESPECTFUL. THE HOUSE WITH THE MOST POINTS WILL EARN A CELEBRATION!

Morgan Elementary's House System

BENEFITS OF USING THE HOUSE SYSTEM

- Create relationships and connections with students in different classes and grades
- Help students ease into transitions as they move to different grade levels or as new students enter our school
- Reduce bullying and behavior problems
- Create a sense of camaraderie and identity
- Give students opportunities to lead
- Build student-to-student relationships as well as teacher-to-student
